

# Renewal of accreditation in physics of mammography

CANADIAN  
COLLEGE OF  
PHYSICISTS IN  
MEDICINE

LE COLLÈGE  
CANADIEN  
DES PHYSICIENS  
EN MÉDECINE

# Current situation

- 11 accreditations were due for renewal in 2001
- 5 accreditations are due for renewal in 2002
- 6 will be due for renewal in 2003

# Renewal process

- Letters requesting evidence of continuing education (CE) activities will be mailed by August first
- 16 letters (accreditation due in 2001 and 2002)
- 2003 renewals will be carried out under the auspices of new terms of reference
- Admissible evidence should be proof of CAMPEP admissible CE, or CCPM approved events (Kelowna July 2001, Vancouver/Kodak June 2002, forum 2002)
- At least 15 hours must be submitted and approved
